

SOUTHERN CROSS

# 'LINER' TANKS

**SAFE— ECONOMICAL  
WATER STORAGE**

- SIMPLE TO ERECT
- STRONG ● HIGH QUALITY

**20 YEAR STRUCTURAL WARRANTY\*— 10 YEAR LINER WARRANTY\***

- Do-it-yourself — simple to erect — no special tools — completely pre-fabricated for on-site erection.
- 9 to 900 kilolitres (2000 to 198,000 gallon) capacity.
- Sturdy construction for heavy duty service.
- Fully pre-fabricated, portable and easily relocated.
- High quality design, construction materials and manufacture ensure long service life, exceptional strength and complete safety of vital water supplies.
- Strong, all galvanised steel construction with food grade polyethylene liner (backed by 10 year Warranty) — resistant to acidic/alkaline water and other liquids.
- Suitable for all water storage applications, including domestic, stock watering and fire protection etc..

# SOUTHERN CROSS "LINER" TANKS are simple to build.....

**SOUTHERN CROSS "Liner" Tank assembly is fast and simple using unskilled labour, and without the use of special tools or materials. Step 1** – Level and compact suitable area, cover with sand or heavy polythene sheeting and lay out bottom angle steel rings. **Step 2** – Fit galvanised steel sheets and top rings – all simply bolted together. **Step 3** – Attach liner retaining strip, tighten all bolts and fit outside ladder (optional). **Step 4** – Install liner and make pipe connections.

## SIZES AVAILABLE...

Southern Cross "Liner" Tanks are available in 26, 47, 90 and 146 kilolitre (5,700; 10,300; 19,700 and 32,000 gallon) capacity, using 12, 16, 22 and 28 side sheets 1800mm high. Tanks range in diameter from 4.3 to 10 metres.

**26kl**  
(5,700  
Gallon)
